### ACTIVE DUTY SOLDIERS STOP LOSS / STOP MOVE

1. An administrative error has been identified within the Personnel and Finance systems with regard to Stop Loss / Stop Movement Dates for Active Duty Soldiers. Please check the **ETS date on your LES** and ensure that it is at least 90 days after your projected redeployment date to prevent your pay from stopping.
2. If your ETS date is any earlier than 90 days after your projected redeployment date, please notify your local finance office immediately.
3. For more information regarding your LES and other finance questions, call or stop by your local finance office.
